### Three Ways to Give Giving More Than You Thought You Could

- First, you can make a pledge over three years.** Even a small amount adds up when given monthly or with each paycheck over three years. *These gifts are given over and above your regular giving.* It can be given annually, quarterly, monthly or with each paycheck.
- Second, you can make a non-cash gift.** This might be gifts of stock; land or property; valuable possessions such as jewelry, automobiles or antiques or even in-kind gifts such as supplies or contract labor. You might even save taxes by gifting this way!
- Third, you can make a legacy gift.** Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act may result in the largest, most lasting one-time gift you will make to your church. **Have questions about how to make a legacy gift?** Contact us via email at: [peace.info@peaceantigo.org](mailto:peace.info@peaceantigo.org)

## MINISTRY INVESTMENT CAMPAIGN NEWSLETTER

ANTIGO, WI

NOVEMBER 2020

VOLUME 13

The heavy equipment is shaking the ground, concrete trucks are pouring the foundation. Thanks to our 300 giving partners, the Building Families In Christ ministry expansion is underway, but it isn't finished yet!

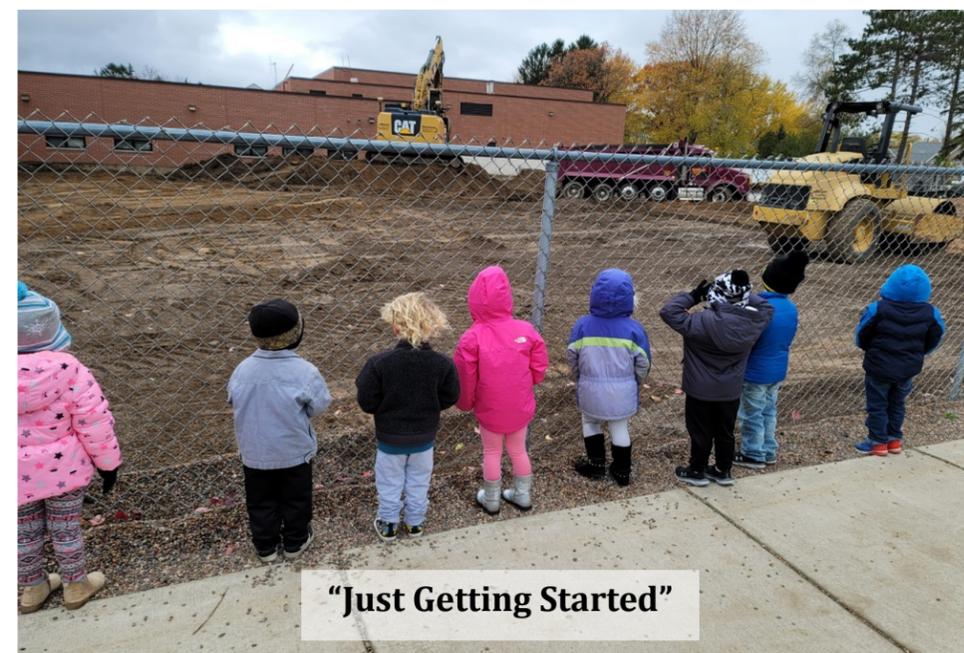

You can be a part of this exciting project as God powerfully does more than we

can ask or imagine. Your generosity, along with many others, is making an eternal impact on the lives of hundreds of children and their families in our community!

The childcare and school students on our campus are excited! They are literally glued to the windows to see what amazing thing will

happen next. Soon the floors will be poured and the walls will go up.

Peace Childcare Learning Center can only accept children 2 years and up, upon completion of the project infants and toddlers will also be included.

"Just Getting Started"

*God is using you to touch many new children and families with His love! Your partnership is vital in taking this next step to nurture and educate families in our community, beginning with children, so that they live abundant lives in Christ!*

Today's 3K classroom was a coat room, 4th grade meets in the music room, childcare uses any available space... you get the picture. Soon all of these programs will have quality spaces and facilities along with the addition of a STEAM (Science Technology Engineering Art & Math) room. A new and secure entry and office are also part of the expansion project.

All of this is possible because many individuals, families, businesses and foundations have made contributions and pledges totaling over \$2,185,000 toward the \$2.3 million stretch goal. If you are one of them, THANK YOU!!

If you have not yet given to the Building Families In Christ expansion, or even if you completed a gift previously, **you can still help achieve this goal!** Any size gift at this time will help raise the remaining \$115,000.

At this weekend's worship, November 21st and 22nd, we will be giving thanks to God for you and all of our ministry partners. Please plan to join us in person or online through our Peace Lutheran Ministries Facebook live-stream or YouTube channel. Updates will be shared on the construction progress. You won't want to miss the entertaining video highlighting our students' view of the project!

God is doing immeasurably more than all we ask or imagine, and He is using you to bless even more children and families with His saving grace.

**CAMPAIGN VERSE**

*All gifts are tax deductible.*

The current 3K classroom meets in the former coat closet! This new space is much needed!!
